EXPERT VIEW: TAKE A BREATH looks to have been handed a gilt edged opportunity by the handicapper and is fancied to kick of his season in style and claim top spot. Form figures of 435 are a bit misleading considering he was beaten less than a length the last time and only six lengths by Sandtrap (second in a French G2 next time) on debut. Native Honey was unfancied on season debut last time and a 6th of 8 looks pretty unininspiring but he was denied a clear run at a critical stage and his winning chance vanished. He may have gone close. Better is expected eased back in grade off a further 2lb drop. Patsy Snugfit is another to have endured a miserable time of it late on last time when squeezed out by the first two and slipping back to fifth. She wouldn't have been beaten far. A close-up third on her debut last term bodes well for her season bow today and she can make the frame
